(parte 1)

E G#m  
I am thinking it s a sign that the freckles  
F#m A  
In our eyes are mirror images and when  
G#m  
We kiss they re perfectly aligned  
E G#m  
And I have to speculate that God himself  
F#m A  
Did make us into corresponding shapes like  
G#m  
Puzzle pieces from the clay  
E G#m  
True, it may seem like a stretch, but  
F#m  
Its thoughts like this that catch my troubled  
A G#m  
Head when you re away when I am missing you to death  
E G#m  
When you are out there on the road for  
F#m  
Several weeks of shows and when you scan

A G#m  
The radio, I hope this song will guide you home

(refrão)

E B  
They won't see us waving from such great  
A G#m  
Heights, come down now, they'll say  
E B  
But everything looks perfect from far away,  
A G#m  
come down now, but we'll stay...

(parte 2)

E G#m  
I tried my best to leave this all on your  
F#m A  
Machine but the persistent beat it sounded  
G#m  
Thin upon listening  
E G#m  
That frankly will not fly. you will hear  
F#m  
The shrillest highs and lowest lows with  
A G#m  
The windows down when this is guiding you home
