G Bm  
I am thinking it s a sign that the freckles  
Am C  
In our eyes are mirror images and when  
Bm  
We kiss they re perfectly aligned  
G Bm  
And I have to speculate that God himself  
Am C  
Did make us into corresponding shapes like  
Bm  
Puzzle pieces from the clay  
G Bm  
True, it may seem like a stretch, but  
Am  
Its thoughts like this that catch my troubled  
C Bm  
Head when you re away when I am missing you to death  
G Bm  
When you are out there on the road for  
Am  
Several weeks of shows and when you scan

C Bm  
The radio, I hope this song will guide you home

(refrão)

G D  
They won't see us waving from such great  
C Bm  
Heights, come down now, they'll say  
G D  
But everything looks perfect from far away,  
C Bm  
come down now, but we'll stay...

(parte 2)

G Bm  
I tried my best to leave this all on your  
Am C  
Machine but the persistent beat it sounded  
Bm  
Thin upon listening  
G Bm  
That frankly will not fly. you will hear  
Am  
The shrillest highs and lowest lows with  
C Bm  
The windows down when this is guiding you home

(refrão)
