

**Eterna Concerning The End Of The World
The Prayers and Tears of Arthur Digby Sellers**

Standard tuning

D Bm A G

D

Douse it all in gasoline

Bm

A

G

And set this cardboard move scene on fire

D

Bm

A

A dance of light reflecting off the props as they dissolve into the dust

G

That makes up everything

Bm G D A

D

I tried to leave the county once

Bm

I called up the ambulance

A

G

To take me away

D

Bm

But a girl I met with a smoky voice drags my heart around like the other boys

A

G

So I ve got no other choice but to stay

Bm

G

And wait

D

A

And wait

Bm

G

But the time is always running out on you

D

You find it s always out on you

A

Find it s always out and you can t wait

Bm

G

But the time is always running out on you

D

You find it s always out on you

A

Find it s always out and you can t wait

D

Maybe after surgery

Bm

A

G

remove all my hyperbole and lies

D **Bm**
This quiet conflagration come to take us all to heaven

A **G**
As it sets this sickly stage of ours on fire

Bm
But we ll ignore this quiet night
G **D**
And we ll ignore these city lights of fire

A
As they raise their hands towards heaven

Bm
And we ll ignore this eternity
G **D**
And we ll ignore these heavenly choirs

A
As they raise their hands towards heaven

Bm
And we ll ignore this quiet night
G **D**
And we ll ignore these city lights of fire

A
As they raise their hands towards heaven

Bm
And we ll ignore this eternity
G **D**
And we ll ignore these heavenly choirs

A
As they raise their hands towards heaven

Bm
You ll be holding on to me
G **D** **A**
You ll be singing quietly inside these city gates

G
As they burn away
