

## Ghosts

### The Presets

Hello, this is my first tab ever and as i didnt find any chords to this song i figured i would try to make my own, i just wanted to let you know that this is my own tab of what i think is good.  
So there is no right or wrongs, but let me know if it is anything you feel sound better.  
Thanks!

Capo 7th.  
(or 5th depend on your taste)

4 strum

**Am**            **C**            **G**            **D**  
Oooo ooo oooooo oooo  
Oooo ooo oooooo oooo

Singlestrum\*)

**Am**                    **C**                    **G**                    **D**  
Once I was a very young man, and very young men are none to clever  
**Am**                    **C**  
Sailed across to faraway lands  
          **G**                    **D**  
And farway towns of tin an terror

(Double strum\*)

**Am**                    **C**  
Ran amok in a strip called love  
**G**                    **D**  
Lost my mind in the streets of neon  
**Am**            **Am**            **C**  
Now Iâ€™m coming on back

(Dont play anything here, just tap the guitar like a drum)

Help me up move right, left foot forward

(4strum\*)

**Am**                    **C**                    **G**                    **D**  
Oh we had a merry old time, but merry old times donâ€™t count for nothing  
**Am**                    **C**  
Cocaine, song and women and wine  
**G**                    **D**  
Memories blur and they make me shudder

(Double strum\*)

**Am** **C** **G** **D**  
Bed in the morning, eight, four, five, couple of days to get my head off  
**Am** **Am** **C**  
Now Iâ€™m comming on back

(Dont play anything here, just tap the guitar like a drum)

Help me up move right left foot forward  
(4strum\*)

**Am** **C** **G** **D**  
To Gho (Oooo ooo oooooo oooo)  
**Am** **C** **G** **D**  
Gho (Oooo ooo oooooo oooo)

(single strum\*)

**C** **G** **D** **Am**  
Iâ€™m troubled by gho Oooo ooo oooooo oooo Ghosts in heaven

(4strum\*)

**Am** **C** **G** **D**  
Far below the shiniest stars, shiniest stars wonâ€™t shine for ever  
**Am** **C**  
Take your soul and you can go far,  
**G** **D**  
If you donâ€™t fall from grace of favor\*

(double strum\*)

**Am** **C**  
Gold awaits all those who stall  
**G** **D**  
You can take now and Iâ€™ll take never  
**Am** **Am** **C**  
Now Iâ€™m comming on back  
Help me up move right left foot forward  
**Am** **C** **G** **D**  
To Gho (Oooo ooo oooooo oooo)  
**Am** **C** **G** **D**  
Gho (Oooo ooo oooooo oooo)

(single strum\*)

**C** **G** **D** **Am**  
Iâ€™m troubled by gho Oooo ooo oooooo oooo Ghosts in heaven

**C** **G** **D** **Am**  
gho Oooo ooo oooooo oooo Ghosts in heaven

(Pluck this part if able, or else slow singlestrum)

**Am** **C** **G** **D**  
Soon Iâ€™ll be a very old man, and very old men they dream of summers

**Am** **C**  
Spent with falls in faraway clans  
**G** **D**  
While hometown crowds sing hymns of courage

(slow double strum\*)

**Am** **C**  
Ran amok in a strip called love  
**G** **D**  
Lost my mind in the streets of neon  
**Am** **C**  
Now Iâ€™m coming on home

(slow strum down, with a hammer off with the ringfinger on Am\*)

**Am** **Am** **Am\*** **C**  
Help me up move right left foot forward
