**The Presets**

Talk Like That

**G#m Gm G#m Gm Gm G#m**

**G# Eb D x4**

**G# Eb D**

My how youâ€™ve grown

**G#**

I think ill call you on the telephone

**Bb B**

**Bb A**

And tell you all the things that Iâ€™ve been missing

**G# Eb D**

Turn out the lights

Where weâ€™re going we donâ€™t need it tonight

Weâ€™re at your daddys home but heâ€™s not listening

**G#**

You make me crazy when you

**G# G# B**

talk like that

**E**

I might go crazy when you

**C# C# E**

talk like that

**G**

You know I love it when you

**G# G# B**

talk like that

**E**

And girl Iâ€™m crazy when you

**C# C# E**

talk like that

**G**

You make me crazy when you

**G# Eb D x 2**

Our time has come

Start of the race and weâ€™re ready to run

Weâ€™re on a roll tonight and you wonâ€™t fight it

They donâ€™t like what they see

Set up a nibble touch your knees

They ought to try some time they might just like it

**G# G# B**

talk                    like                    that

**E**

I might go crazy when you

**C#                    C#                    E**

talk                    like                    that

**G**

A little creepy when you

**G#                    G#                    B**

talk                    like                    that

**E**

And girl I love it when you

**C#                    C#                    E**

talk                    like                    that

**G**

You make me crazy when you

(Organ)
