

**Video Killed The Radio Star**  
**The Presidents of the United States of America**

All the tabs I found for this song just didn't sound right, so I went through and made one myself. Just the basic chords for the song. For it to sound pretty much exactly like PotUSA, you need to play it with a capo on the first fret but I find that that makes the oh-a-oh's a touch too high for me, so I play it without the capo.
