(D G) (2x)

```
      G      D
I play a good game,
                Em
But not good as you
                F#m      G
I can be a little cold, but you can be so cruel
                D      Em
I m not made of brick, I m not made of stone
                F#m
But I had you fooled enough
                G
To take me on
                A      B
If love was a war, it s you who has won
                C      G      G      F#m
While I was confessing it, you held your tongue
Em      A
Now the damage is done...
```

(refrão)

```
      D
Well there s blood in these veins
      A
And I cry when in pain
      F#m      B
I m only human on the inside
A      D
And if looks can deceive
      A
Make it hard to believe
      F#m      D      G
I m only human on the inside
```

(D G) (2x)

(parte 2)

D

I thought you'd come through,
Em
I thought you'd come clean
F#m G
You were the best thing I should never have seen
A B
But you go to extremes, you push me too far
C G G F#m
Then you keep going til you break my heart
Em A
Yeah, you break my heart

(refrão)

D A
See I bleed and I bruise, oh, but what's it to you
F#m B
I'm only human on the inside
A D
And if looks could deceive,
A
Make it hard to believe
F#m D
I'm only human on the inside

D A
I crash and I burn, maybe some day you'll learn
F#m B
I'm only human on the inside
A D A
I stumble and fall, baby, under it all
F#m D
I'm only human on the inside

(solo) D A F#m B A D A F#m D G

Em A
Now the damage is done...
