

**Lets Make A Pact**  
**The Pretenders**

**A**

Empty me

**E**

Like a dustman rids a rubbish bin

**A**

Fill me up with glimpses of you

**E**

And let the music begin

**F#m**

Oh oh oh

**Bm**

Take me to the altar

**C#m**

**D**

**C#m**

Let s make a pact

**Bm**

**C#m**

**D**

**C#m**

One we ll never take back

**Bm**

**C#m**

**D**

**C#m**

Let me prove that I m true

**F#m**

Let s make a pact

**A**

Alter me

**E**

The change could only do me good

**A**

Other have tried to and failed

**E**

I wish that somebody could

**F#m**

Oh oh oh

**Bm**

Do what no one can do

**C#m**

**D**

**C#m**

Let s make a pact

**Bm**

**C#m**

One we ll never take back

**Bm**

**C#m**

**D**

**C#m**

Let me prove that I m true

**F#m**

Let s make a pact

Take me to the world and let me wonder at the view

Set me off in motion and let me dance

After 20 years of doubt and then a week with you

I m ready baby - follow thorough!

**A**

Cover me in dirt

**E**

And leave me to the wind and the rain

**A**

If I should ever hurt

**E**

The one who made me human again

**F#m**

Oh oh oh

**Bm**

Take me to the altar

**C#m**                      **D**              **C#m**

Let s make a pact

**Bm**                      **C#m**              **D**              **C#m**
