

**Never Do That**  
**The Pretenders**

**G D C**

Let me stay

**G D C**

One more day

**G D C**

It would mean so much to me

**Am D**

I won't make a sound

**Am D**

I'll just hang around

**Am D**

I'll sit where the last one sat

**C D**

But oh no

**G D C**

I'd never do that

**G D C**

Take my mouth as far as you can see

**G D C**

It stretches farther than I care to think

**G D C**

Put me out of my misery

**Am D**

If I could keep it shut

**Am D**

I wouldn't be in this rut

**Am D**

With less chance than a laboratory rat

**C**

Oh no

**G D Bm G D**

I'd never do that

**Bm G C**

You're a master of illusion

You say you do - but you don't

You think I will - I know I won't

**G D C**

**G D C**

When I see you sitting there

**G D C**

It sends a shock right through me

**G** **D** **C**

I never thought an ordinary chair

**G** **D** **C**

Could have such poetry

**Am** **D**

I don t deserve your time

**Am** **D**

I haven t got the tact

**Am** **D**

I live above my means in fact

**C**

Oh no

**G** **D** **C**

I d never do that

**G** **D** **C**

I d never do that

**G** **D** **C**

I d never do that

**G** **D** **C**

I d never do that
