

Never Do That  
The Pretenders

G D C

Let me stay

G D C

One more day

G D C

It would mean so much to me

Am D

I won't make a sound

Am D

I'll just hang around

Am D

I'll sit where the last one sat

C D

But oh no

G D C

I'd never do that

G D C

Take my mouth as far as you can see

G D C

It stretches farther than I care to think

G D C

Put me out of my misery

Am D

If I could keep it shut

Am D

I wouldn't be in this rut

Am D

With less chance than a laboratory rat

C

Oh no

G D Bm G D

I'd never do that

Bm G C

You're a master of illusion

You say you do - but you don't

You think I will - I know I won't

G D C

G D C

When I see you sitting there

G D C
