**G D C**  
Let me stay  
**G D C**  
One more day  
**G D C**  
It would mean so much to me  
**Am D**  
I won t make a sound  
**Am D**  
I ll just hang around  
**Am D**  
I ll sit where the last one sat  
**C D**  
But oh no  
**G D C**  
I d never do that  
  
**G D C**  
Take my mouth as far as you can see  
**G D C**  
It stretches father than I care to think  
**G D C**  
Put me out of my misery  
**Am D**  
If I could keep it shut  
**Am D**  
I wouldn t be in this rut  
**Am D**  
With less chance than a laboratory rat  
**C**  
Oh no  
**G D Bm G D**  
I d never do that

**Bm G C**

You re a master of illusion

You say you do - but you don t

You think I will - I know I won t

**G D C**

**G D C**

When I see you sitting there

**G D C**

It sends a shock right through me

**G D C**

I never thought an ordinary chair

**G D C**

Could have such poetry

**Am D**

I don t deserve your time

**Am D**

I haven t got the tact

**Am D**

I live above my means in fact

**C**

Oh no

**G D C**

I d never do that

**G D C**

I d never do that

**G D C**

I d never do that

**G D C**

I d never do that
