Show Me
The Pretenders

```
C#maj7            F              Bbm      Ebm
Show me the meaning of the world
C#maj7            F              Bbm      Ebm
Show me the meaning of the world
C#maj7            F              Bbm      Ebm
 Cause I ve heard so much about it
C#maj7 F             Bbm                Ebm    G#
They say you can t live without it

C#  G#                      F#
Welcome to the human race
C#          G#                      F#
With it s wars, disease and brutality
C# G#              F#
You with your innocence and grace
C# G#                              F#
With still some pride and dignity
                  C#
To a world in decline

   G#                        F#
Welcome to the special place
C#        G#                  F#
In a heart of stone it s cold and grey
C# G#              F#
You with your angelface
C# G#          F#
Keep the dispair, babe, and send it away

C#maj7            F              Bbm      Ebm
Show me the meaning of the world
C#maj7            F              Bbm      Ebm
Show me the meaning of the world
C#maj7            F              Bbm      Ebm
 Cause I ve heard so much about it
C#maj7            F Bbm            Ebm
Now, I don t wanna live without it
C#maj7            F Bbm            Ebm
Now, I don t wanna live without it

Ebm7        Fm7
Oh, I want love
Ebm7        Fm7
Oh, I want love
Ebm7        Fm7      G#
Oh, I want love
```

```
C#   G#                         F#
Welcome if I m out of space
C#       G#                F#
The milky way s still in your eyes
C# G#                      F#
You find yourself a hopeless case
C# G#                           F#
When you re seeking perfection on earth
                      C#
As some kind of rebirth

C#maj7            F           Bbm      Ebm
Show me the meaning of the world
C#maj7            F           Bbm      Ebm
Show me the meaning of the world
C#maj7            F           Bbm        Ebm
 Cause I ve heard so much about it
C#maj7              F Bbm                 Ebm
Don t make me live without it

Ebm7          Fm7
Oh, I want love
Ebm7          Fm7
Oh, I want love
Ebm7          Fm7
Oh, I want love
```
