

Far From Never
The Pretty Reckless

It s with a half-step down, but it sounds good standard.

Em **D**
I know I fucked up this time
Em
Just give me one more try
C
I know you ve made up your mind
Em
So leave me here behind you

Em
And all the things you said
Made it harder to breathe
C
When I was lying on the floor
D
I couldn t believe you wouldn t save me
C
But you blame me

Em **D**
You cried, the fire just died
It s gone forever
Em **D**
And the chance to live our lives
It s gone forever
Em **G**
And where we stand tonight
C
It s where we stand tonight
D B7 Em
So far from never

Em **D**
I know I messed with your mind
Em
And wasted all your precious time
D
The more I try, the more I find that

Em **D**
You cried, the fire just died
It s gone forever
Em **D**

And the chance to live our lives
It s gone forever

Em **G**
And where we stand tonight

C
It s where we stand tonight

D B7 Em
So far from never

Em D Em
No one will never let you down
No one will never let you down
No one will never let you down
No one will never let you down

Em D
Cause the fire has just died
It s gone forever

Em D
And the chance to live our lives
It s gone forever

Em G
And where we stand tonight

C
It s where we stand tonight

D B7 Em
So far from never

D B7 Em
So far from never

Em D Em
You said you d never let me down
You said you d never let me down
