

**Under The Water**  
**The Pretty Reckless**

Em C G  
Lay my head, under the water  
Em C G B7  
Lay my head, under the sea  
Em C G B  
Excuse me sir, am I your daughter?  
Em Am Em  
Won't you take me back, take me back and see?  
Em C G  
There's not a time, for being younger  
Em C G B7  
And all my friends, are enemies  
Em C G B  
And if I cried unto my mother  
Em Am Em  
No she wasn't there, she wasn't there for me  
Am Em  
Don't let the water drag you down (Don't let the water drag you down)  
Am Em  
Don't let the water drag you down  
Em C G  
Broken lines, across my mirror  
Em C G  
Show my face, all red and bruised  
Em C G B  
And though I screamed and I screamed, well no one came running  
Em Am Em  
No I wasn't saved, I wasn't saved from you  
Am Em  
Don't let the water drag you down (Don't let the water drag you down)  
Am Em  
Don't let the water drag you down  
C Em  
Don't let me drown, don't let me drown in the waves, oh  
C Em  
I could be found, I could be what you had saved  
C, Em, C, Em, C, Em  
Saved, saved, saved

[Solo]

(don't know the solo, but the chords are C, and Em over and over)

Em C G  
Lay my head, under the water  
Em C G B7  
Aloud I pray, for calmer seas

**Em C G B**  
And when I wake from this dream, with chains all around me  
**Em Am Em**  
No, I ve never been, I ve never been free  
**Em Am Em**  
No, I ve never been, I ve never been free  
**Em Am Em**  
No, I ve never been, I ve never been free
