Theres a Touch The Proclaimers 1st Song on the Persevere Album

F#

Theres a touch upon my lips

A#m

Left by memorys finger tips

B

C#

i still hear her voice when there s no sound

F#

There s a touch upon my skin

A#m

left when she went back to him

B

F#

all the rest has gone she s not around

F#

B

when i saw her first it was lust my friend

F#

B

thought it would burn then it would end

F#

D#m

G#m

C#

but i lost my old philosophy now i believe in love

F#

B

well the months went by and my love grew strong

F#

B

thought she felt the same but i was wrong

F# **D#m** **G#m** **C#**
she held my old philosophy now i m destroyed by love

F#
Theres a touch upon my lips

A#m
Left by memorys finger tips

B **C#**
i still hear her voice when there s no sound

F#
There s a touch upon my skin

A#m
left when she went back to him

B **F#**
all the rest has gone she s not around

F#
Well i still believed that i would win
cos i was a better man than him

D#m **G#m** **C#**
she held a new philosophy now she believed in love

F# **B**
but the love she felt was not for me

F# **B**
said she would have to set me free

F# **D#m** **G#m** **C#**
now i know there s no philosophy that cant be destroyed by love

F#

Theres a touch upon my lips
