

**Angels Dont Cry**  
**The Psychedelic Furs**

*verse 1*

**E**

I try to remember a kiss

**A**

And I only get sorrow

**E**

And yesterday s faded away

**B**

Now there s only tomorrow

**E**

And everything passes and changes

**A**

And comes to an end I know

**E**

But nothing is written but old news

**B**

Again and again

**E**

I know that it s true

**A**

**E**

There s too many tears

**A**

**B**

But angels don t cry

*verse 2*

**E**

Now I see a face in your eyes

**A**

But you don t remember my name

**E**

We re always a step out of time

**B**

Now ain t that a shame

**E**

And you ve been alone for too long

**A**

And nobody cries

**E**

If you want to see all of my tears

**B**

Take a look in your eyes
