

Get A Room
The Psychedelic Furs

Intro: Eb Cm Gm

Don't want order, it won't come
There's no why that it goes on
I was tied and I'm undone
I've got all that you don't want
You want order I want more
You want it all and all of it's yours
You want shelter, I get a room

I get a room, my confusion leaves me cold
I've got nothing here to hold
All that's gold will never shine
It was nothing, never mind
I want time, I want it now
My confusion's getting me down
You want shelter, I get a room

I get a room, what of yours is there to keep?
To be there when you sleep
I'm not here to tie your feet
Hold a hand upon your sleeve
There's a nail to hang the wall
It pays to lose it all
A note to hide behind the door
