UNTIL SHE COMES - THE PSYCHEDELIC FURS

CAPO 1

**D**                    **A**                    **G**  
Until she comes again  
                  **A**                                    **D**  
I can hear the things she said  
                  **A**                                    **G**  
I feel no thoughts to move my head  
                  **A**  
Until she comes again

**G**  
And with her step  
                  **A**  
I move my feet  
  
And with her hand  
                  **G**  
I feel my skin

And with her need  
                  **A**  
I find I m saved  
                  **G**  
And with her dreams  
                  **A**                    **D**  
I m laid

(same as above)  
Until she comes again  
The sun goes out and night comes in  
The time goes round and day grows dim  
Until she comes again

And with her step  
I move my feet  
And with her hand  
I feel my skin

And with her need  
I find I m saved  
And with her dreams  
I m laid

Until she comes again  
With all my savings and my sins  
There s no good reason to begin  
Until she comes again

And with her step  
I move my feet  
And with her hand  
I feel my skin  
And with her need  
I find I m saved  
And with her dreams  
I m laid

Until she comes again  
With all her dreams tied in her hand  
There is no way to understand  
Until she comes again

Until she comes again  
The sun goes out and night comes in  
The time goes round and day grows dim  
Until she comes again
