Intro

**A D A D C G**

**C G**

The god who made us made me mortal too

**C G**

He gave me no special powers I could use on you

**A F# Bm E**

I ve done all I can do

**C G**

I can t give you the moon or the stars

**C G**

But you can have the contents of my

**A F# Bm E**

Melancholy heart

**Dmaj7 E**

What could mean more than a kiss right now

**Dmaj7 Bm7**

If you need a grand gesture, close your eyes and show me how (darling)

**A**

Pressing lips (honey)

**F#**

Kiss me quick (sugar)

**Bm E**

Mark my face with tangerine lipstick

**A**

Kiss me like you ll never

**F#**

See me again (my angel)

**Bm**

Pressing lips

**E** ??????????????????????

I could never want you more than this

**C G**

Some boys will tell you they can make you complete

**C G**

I won t presume that I m the only thing you need

**A F# Bm E**

How unfair that would be

**C G**

I can't move a mountain, swim a river deep

**C G**

I won't make you supernatural promises

**A F# Bm E**

I can't keep

**Dmaj7 E**

What could mean more than a kiss right now

**Dmaj7 Bm7**

If you need a grand gesture, close your eyes, I'll show you how (darling)

[chorus]

She's on her tip-toes to reach her mic

She smiles at Stewey

God, what a beautiful night

[chorus

There's a few other things going on in here but overall this is pretty close. Any
