

Hush Hush

The Pussycat Dolls

[Capo-first fret]

(for the first verse it should be played one string at a time)

Am **C**
I never needed you to be strong

G **Em**
I never needed you for pointing out my wrongs

Am **C**
I never needed pain, i never needed strain

G **Em**
My love for you was strong enough you should have known

Am **C**
I never needed you for judgement

G **Em**
I never needed you to question what i spent

Am **C**
I never ask for help, i take care of myself,

G **Em**
I don t know why you think you ve got a hold on me

Am **C**
And it s a little late for conversations

G **Em**
There isn t anything for you to say

Am **C**
And my eye s hurt, hand s shiver,

G **Em**
So look at me and listen to me because

[CHORUS]

Am
I don t want to, stay another minute

Em
I don t want you, to say a single word

Am **F**
Hush, hush, hush, hush

E **G**
There is no other way, i get the final say because,

Am
I don t want to, do this any longer

Em
I don t want you, there s nothing left to say

Am **F**
Hush, hush, hush, hush

E **G**
I ve already spoken, our love is broken

Am
Baby hush, hush
