Old Enough
The Raconteurs

(riff 1)
```
                                      C#
E|---------------------2------|
B|---------------------3------|
G|---------------------2-----|
D|-3-2-----------------0---|
A|------3p2h3----2p3h2---|
E|--------------------3--------|
```

```
     C#                  B2     F#
You look pretty in your fancy dress
   C#         B2      F#
But I detect unhappiness
    C#                B2     F#
You never speak so I have to guess
            (E   E    B Ebm/D B   F#     C#)  C#   B2      F# (4x)
You re not free     (Or riff 1)

   C#                   B2      F#
Yeah, maybe when you re old enough
   C#                  B2      F#
You ll realize you re not so tough
    C#               B2         F#
And some days as the seas get rough
            (E   E    B Ebm/D B   F#     C#)  C#   B2      F# (2x)
And you ll see        (Or riff 1)

   C#                      B2       F#
You re too young to have it figured out
   C#                         B2        F#
You think you know what you re talking about
   C#                  B2          F#
You think it all will work itself out
           (E   E    B Ebm/D B   F#     C#)  C#   B2      F# (2x)
But we ll see      (Or riff 1)

  E                  B
When I was young I thought I knew
  E               B
You probably think you know too
    C#  F#
Do you?
       C#  F#
Well do you?

  E               B
I was naïve just like you, I thought
```

```
   E                        B
I knew exactly what I wanted to do
C#      F#               C#
Well, what s you gonna do?

F#
What a fool

    C#                   B2        F#
And how have you gotten by so far
     C#              B2      F#
Without having a visible scar?
   C#                    B2      F#
No one knows who you really are
              (E    E    B Ebm/D B   F#      C#)   C#   B2      F#  (2x)
They can t see  (or riff 1)

   C#                      C#
What you gonna do (What you gonna do)
                       B       F#    E
What you gonna do now
   C#                    C#
What you gonna do (What you gonna do)
                       B       F#    E
What you gonna do now
   C#                    C#
What you gonna do (What you gonna do)
                       B       F#    E
What you gonna do now
   C#                    C#
What you gonna do (What you gonna do)
                       B
What you gonna do now
```

```
                    F#//
What you gonna do now

(Yeah)       C#      B2         F# (4x)

    E                      B
The only way you ll ever learn a thing
    E                          B          C#    F#
Is to admit that you know absolutely nothing
        C#    F#
Oh, nothing

    E                      B
Think about this carefully
    E              B                          C#    F#
You might not get another chance to speak freely
       C#  F#
Oh, freely

  C#              B        F#
Baby when you re old enough
  C#              B        F#
Maybe when you re old enough
  C#              B        F#
Baby when you re old enough
            C#  B  F#
You re not free

(Yeah)
            C#  B  F#
You re not free
```
