Enemies The Radiators From Space Radiators From Space â€" Enemies submitted by Seb katzekeller@gmx.de riff 2X D G Α D Desolation angels in a junkyard of lies D G Α D Secret thinkers spitting in their eyes F#m G Don't lock frustrations deep inside F#m Α Shout out the truth they'd like to hide riff 2X D G D Α Tryin' to get across but it's hard to make sense D G Α D They've robbed us of something and we've got no defence F#m G If they took away your weekend You'd feel the pain alright F#m Δ I bet you'd stand up and fight D Sometimes you just don't know Bm Who your enemies are F#m Α You gotta understand were on the same side D Oh no, you just don't know BmWho your enemies are F#m Cos when the heat is on Α They run and hide and let us fight it out alone riff 2X (verse) Don't wanna be a martyr to anybody's cause

I just wanna break free from the savage jaw

(bridge) I don't want to change the world Just my own But sometimes I feel so alone

(refrain)
Sometimes you just don't know
Who your enemies are
You gotta understand were on the same side
Oh no, you just don't know
Who your enemies are
Cos when the heat is on
They run and hide and let us fight it out alone
