

Pulling Our Weight
The Radio Dept.

Verse I:

D **Bm** **G**
In time we might walk the straight line

D **Bm** **G**
But with memories of a grapevine

A **G** **A**
A guitar, as we came close from far

D **Bm** **G**
 Forgot about the war

A **G**
 We barely touched

A **G**
As if being watched

Chorus:

D **G**
And even in ti--me

D **G**
We ll give in to cri--me

D **A**
We ll be on the li--ne

G
Pulling our weight

Verse II: (same progression as V.1)

Many miles from where I m sleeping
You share laughter in the evening
As do I, in the great divine
Yours is mine
We ll find love
The kind we re dreaming of

(Chorus)
