Holding It In
The Raging Nathans

[Intro]
C F A D x2

[Verse]
```
C          F          A   D          C
```
The twitch starts in my nose, my eyes explode
```
        F          A          D      C
```
I try holding it in so that nobody knows
```
          F         A              D        C
```
I didn t do what I could, I didn t go out of my way
```
      F            A         G          C
```
It never quite sinks in and the world turns anyway

[Chorus]
```
C                  F              C                        F
```
The light at the end of the tunnel is just an oncoming train
```
C               F              C                F   C
```
The light at the end of the tunnel is just an oncoming train
```
F      A D      C
```
I hold it in, I hold it in
```
F       A D        C
```
I hold it in, I hold it in
```
F       A D        C
```
I hold it in, I hold it in
```
F        A D        C
```
I hold it in, I hold it in

[Interlude]
F A
F D C B
F A
F D C B

[Verse]
```
C          F          A   D          C
```
The twitch starts in my nose, my eyes explode
```
        F          A          D      C
```
I try holding it in so that nobody knows
```
          F         A              D        C
```
I didn t do what I could, I didn t go out of my way
```
      F            A         G          C
```
It never quite sinks in and the world turns anyway

[Chorus]
```
C                  F              C                        F
```
The light at the end of the tunnel is just an oncoming train
```
C               F              C                F   C
```

```
The light at the end of the tunnel is just an oncoming train
F        A  D        C
I hold it in, I hold it in
F        A  D        C
I hold it in, I hold it in
F        A  D        C
I hold it in, I hold it in
F        A  D        C
I hold it in, I hold it in
```
