

Em D G
No matter what you say to me

Em D G
A heart of stone and crooked teeth

Em D G
I cursed the dirt behind my heels

Em D G
Oh, I curse the one who doesn't know how I feel

Em D G
And all the things I ve said in vain

Em D G
You know I never mentioned you by name

Em D G
And I know it s all in the past

Em D G
Oh, I never could ve known how long this would last

Am
 Cause all my life
C
 I ve seen these skies
G D
 It s paradise, paradise
Am
 And every time
C
 I leave this place
G D
 I m terrified, terrified
Am C
 Oh, oh
G D
 Oh, oh

Em D G
What if it s just in my head

Em D G
I should ve listened to you instead

Em D G
And all those times where I tried to hard

Em D G
When all along I should ve stayed on guard

Em **D** **G**
You d think that I would ve learned by now
Em **D** **G**
But I m still working on learning how
Em **D** **G**
To keep my mind in a quiet state
Em **D** **G**
To finally keep my head on straight

[Chorus]

Am
Cause all my life
 C
I ve seen these skies
 G **D**
It s paradise, paradise
 Am
And every time
 C
I leave this place
 G **D**
I m terrified, terrified
Am C
Oh, oh
G D
Oh, oh

[Bridge]

C
And I still think back to that summer
 G
Oh, whoa, oh

Oh, whoa, oh
 C
And I hate that I still remember
 G
Oh, whoa, oh

Oh, whoa, oh
 C
But all this ends with something better
 G
Oh, whoa, oh

Oh, whoa, oh
 C
But all this ends with something better
 G
Oh, whoa, oh

Oh, whoa, oh

C

Oh, whoa, oh

Oh, whoa, oh

G

Oh, whoa, oh

Oh, whoa, oh
