

**Diamond Trip**  
**The Rascals**

**D** **Em**  
There you go again, rocking in your broken cradle

**D** **Em**  
Attempted robbery, a film that seems to fit my high imagination

**D** **Em**  
It fascinates me to hear you say, terrified at the claims that you make

**D** **Em**  
Cause I m hearing on your waking sleeps, I m nearly drawn in by your charity  
sweep

**A**  
And while my feet will swell the streets

**Bm** **A**  
And I ll bury my head until complete

**G** **F#m**  
Until complete now, step and you were from the morning

**A** **F#m**  
I ll wait until I m ready

**A** **F#m**  
We ll wait until we re ready

**D** **Em**  
Take me on your diamond trip (Oohhh) (3x)
