

Days

The Rasmus

Its however, pretty easy when you have it once, I just took the guitar and there was it!

Am **G** **Am**
I knew that you would come

Am	G
I know	you

Am **G** **Am**

Welcome to my kingdom

Am **E** **F**
Some days are cold like the ice in here

(the same as above)
You dont have to sleep at night

You dont have to

You dont have to close your eyes

Cause some days are dark like the nights in here

Bridge:

F	G
I get this feeling	

F **G** **Am**

I get this feeling everytime

Chorus :

Dm
I dont know I dont know what to do
Am **(G)**
where to go make it right can you stay for the night?

Dm
Days in a maze full of flames what to do
Am **G**
where to go I dont know when the clouds fill the sky

```
Verse(same as before):  
Keep staring at the sea keep staring  
Theres so much misery for the tidal waves to wash away
```

Bridge and Chorus

Bridge2:

Am E
It's something deeper it's something to defend
Am E F

So lets pretend that the end is not coming yet

Time is not running yet into the shadows

Dm **E**

And we can be friends now and forever

Than Bridge and Chorus til end with..Am

Enjoy!^^
