Am F

Feel like I m stoned

F Dm E Am

wanna be alone, just for a while, unknown

Am F Di

Weeks on the road a long way from home

Om E

just shut off the phone

Am I

And you say I ll heal you,

Dm E

I ll always be yours

Am C Dm F E

and you say I ll kill you if I do something wrong

Dm G

Still feels like the first time

C Am

to stand here by your side

Dm G

together regardless

C Am

we ll walk through the darkness

Dm E Am

Still fells like the first day of my life

Remember the times

together we swore, never give up this life

still hanging on, still going strong

here I belong

And maybe I m crazy

but I just can t slow down

And maybe I m crazy

but at least I m still around

Still feels like the first time

to stand here by your side

together regardless

we ll walk through the darkness

Still fells like the first day of $\ensuremath{\mathsf{my}}$ life
