It s hard to believe that it came to this,
You paralysed my body with a poison kiss,

C

For 40 days and nights I was chained to your bed,
You thought that was the end of the story,

Am **D**

Then something inside me called freedom came alive,

Em

Living in a world without you

You told me, my darling, without me, you re nothing,

You taught me, to look in your eyes, and fed me, your sweet lies,

Suddenly someone was there in the window,

Looking outside at the sky that had never been blue,
