[same chords as before]

Too cheap, too scary.

Too creepy to marry.

Too serious and too mysterious and way to, way too deep.

Cry, cry when there s something to cry about.

Cry, cry baby but don t drown in the sadness.

It s madness.

Don t ask me to explain. Don t take away the pain.

It s impossible to save me.

It s madness.

So easy to complain. Nobody left to blame.

It s impossible to save me.

Crack in the shield. It feels so unreal.

No one to blame for loosing the flame.

Crack in the shield, lost in the fields of sadness.

It s madness...
