+Play Dead+

**Bm** **A**  
Darling stop confusing me  
**E** **Bm**  
With your wishful thinking  
**A**  
Hopeful embraces  
**E**  
Don't you understand?  
**Bm** **A**  
I have to go through this  
**E**  
I belong to here where  
**Bm**  
No-one cares and no-one loves  
**A**  
No light no air to live in  
**E**  
A place called hate  
**Bm** **A E**  
The city of feeeeeaaaar

**Bm**  
I play dead  
**A** **E**  
It stops the hurting  
**Bm**  
I play dead  
**A** **E**  
And the hurting stops  
**Bm** **A**  
It's sometimes just like sleeping  
**E** **Bm**  
Curling up inside my private tortures  
**A**  
I nestle into paaaaaiin  
**E**  
Hug suffering  
**Bm** **A** **E**  
Caress every ache  
**Bm** **A E**  
I play dead  
**Bm** **A E**

I play dead

**Bm**            **A** **E**    **Bm**
