The Rasmus - Save Me Once Again

Like a (C#)stone I ll go down
I m too (Fm)far to be (F#)found
Got no place for the (G#)storm
All the (C#)love that I found
Couldn t (Fm)turn me A(F#)round
Drift away all A(G#)lone (C#)

Don t say this is the (Fm)end (F#)(G#)
I think I m lost (C#)again (F#)(G#)

Thank you for your (C#)patiece
The time that you gave me
I think I never (Fm)knew
you were trying to save me
Free me from the (C#)shadow
that lay on my shoulder
Please don t say is s (Fm)over, is s over, is s over

I con(C#)fess I was weak
Got my (Fm)heart full of (F#)greed
Wanted more that I (G#)need (C#)

I m standing on the (Fm)edge (F#)(G#)
Afraid of emit(C#)ness
Don t (F#)leave me
I m begging you my (G#)friend

Thank you for your (C#)patiece
The time that you gave me
I think I never (Fm)knew
you were trying to save me
Free me from the (C#)shadow
that lay on my shoulder
Please don t say is s (Fm)over, is s over, is s over

Don t say that it s the (Fm)end (F#)(G#)
I think I m lost A(C#)gain (F#)(G#)
I m standing on the (C#)edge
Don t (F#)leave me
I m begging you my (G#)friend
Save me (C#)once again (Fm)
Would you save me (C#)once again (Fm)
Would you save me (C#)once again (Fm)
Would you save me (C#)once again (Fm)
