

Time To Burn  
The Rasmus

G#m E 3x Eb G#m

          G#m      E  
Fear of the dark  
          B      Eb  
Tears me apart  
                  E      F#  
Won t leave me alone  
          Eb                  G#m  
And time keeps running out  
          G#m      E  
Just one more life  
                  B      Eb  
I m so sick and tired  
                  E      F#  
Of singing the blues  
          Eb                  G#m  
I should turn my life around

          G#m E 3x Eb G#m A#  
Come on...

B                  G  
Tell me why do I feel this way  
D                  A                  F#          G  
All my life I ve been standing on the borderline  
          Em  
Too many bridges burned  
F#                  B  
Too many lies I ve heard  
B                  G  
I had a life but I can t go back  
D                  A                  F#          G  
I can t do that, it will never be the same again  
          Em  
And I know I don t  
F#  
have any time to burn

G#m E 3x Eb G#m  
Come on

G#m      E

They follow me home

**B Eb**

Disturbing my sleep

**E F#**

But I ll find a place

**Eb G#m**

Place where they cannot find me

**G#m E**

Maybe I m lost

**B Eb**

And maybe I m scared

**E F#**

But too many times

**Eb G#m A#**

I ve closed the doors behind me

**B G**

Tell me why do I feel this way

**D A F# G**

All my life I ve been standing on the borderline

**Em**

Too many bridges burned

**F# B**

Too many lies I ve heard

**B G**

I had a life but I can t go back

**D A F# G**

I can t do that, it will never be the same again

**Em**

And I know I don t

**F# G**

have any time to burn

**D A**

Leave it all behind

**B A G**

Cross the borderline

**Em F#**

Face the truth, don t have any time to...

**F#**

have any time to burn

**B G**

Tell me why do I feel this way

**D A F# G**

All my life I ve been standing on the borderline

**Em**

Too many bridges burned

**F# B**

Too many lies I ve heard

**B** **G**  
I had a life but I can t go back  
**D** **A** **F#** **G**  
I can t do that, it will never be the same again Iâ€™ve got to go  
**Em**  
Cause I know I don t  
**F#** **B C#**  
have any time to burn

**D** **A#**  
Tell me why do I feel this way  
**F** **C** **A** **A#**  
All my life I ve been standing on the borderline  
**Gm**  
Too many bridges burned  
**A** **D**  
Too many lies I ve heard  
**D** **A#**  
I had a life but I can t go back  
**F** **C** **A** **A#**  
I can t do that, it will never be the same again  
**Gm**  
And I know I don t  
**A**  
Have any time to...  
**A**  
have any time to burn
