You Got It Wrong
The Rasmus

This is another fascinating fast-paced song by the Rasmus.
I don t have the time to supply a detailed tab, but the song
is fairly straight forward and you can use the chords below to
play it out (use power chords instead of full chords).

Song: You Got It Wrong
Band: The Rasmus
Album: Black Roses [2008]

Intro: **Bbm F# C#m A**

Bbm   **Bbsus2**   **Bbm**
  When you found me on the street

Bbsus2   **Bbm**
  Did you think you rescued me

F#   **Ebsus2**
Bet you thought without you I would die

Bbm   **Bbsus2** **Bbm**
Like a snake you swallowed me

Bbsus2   **Bbm**
I took it till I couldn’t breathe

 F#   **Ebsus2**/**Ebm**
Just to bring your fantasies to life

F#   **F**
You count on the faithful
    F7   **F#**
To get your way

 F#   **G#5**   **B5**
And to follow your light

C#m **A5**   **B5**
You got it wrong now

  A5   **G#5**
Cause I don’t give a …

   A   **C#m**   **B5**
I’m not your believer

```
C#m    A5      B5
You  got  it wrong so

   A5                        G#5
I guess youâ€™re out of luck

    A                  C#m        B5
Your dream just lost a dreamer...

Then play again:  Bbm  F#  C#m  A

and then repeat the verse and chorus again.

Intermission:

 Gm
There s a little part of me

  Gm                        F5
That would like to see you cry

  Bbm                    Bbsus2
Even if itâ€™s just one tear

 Bbm                G#5      F5
I know it would never dry

Follow the chorus progression to the end.
