

Dead Sound

The Raveonettes

This is my first tab, so go easy. Solos not included.

I could never find the chords for this and saw a comment on one of their videos on YouTube with the chords but they sounded wrong, so I got the base for this from that with some alterations....

Can't figure out the solos or anything (I've been playing 4 months)

Enjoy :)

B

I hear the sound of falling love

E **G#m**

As I wonder where you are

B

Hits the ground with a dead sound

E **G#m**

Know you ain't got far

F#

You're too stupid and sissy-like

E

To say that you want out

B

You make the eyes of a million girls

F# **E**

And think you'll make them shout

CHORUS

B **F#** **E**

Dead sound, dead sound

B **F#** **E**

Dead sound, dead sound

B

I used to take you on every time

E **G#m**

That sparkle turned to black

B

I used to drag you through my streets

E **G#m**

When you came crawling back

F#

Your cheap words that you brought on sale

E

Won't help you through tonight

B

You make the eyes of a million girls

F# **E**

And think that s what they like

CHORUS

B **F#** **E**
Dead sound, dead sound
B **F#** **E**
Dead sound, dead sound

B
And now you go through a million girls
E **G#m**
And try to pick what s right
B
When nightfall comes and you re still alone
E **G#m**
Do you feel it deep inside
F#
It s oh so cold on the other side
E
Where thoughts can turn you down
B
You make the eyes of a million girls
F# **E**
But I see no girl around

CHORUS

B **F#** **E**
Dead sound, dead sound
B **F#** **E**
Dead sound, dead sound
