**The Raveonettes**

The Raveonettes - She Owns The Streets  
-----

very simple but catchy song - the band uses two guitars, in some youtube-videos they seem to play it kinda different, maybe with alternate tunings but here s a simple way to play the chords in standart guitar tuning:

Intro:

**Fm D#** (4x)

Verse:

**Fm D#** (3x)

**C# C#/C C# C#/C** (doubletime)

(play twice)

e		-8--6--8--6--8--6--x-x-x-x-----	
B		-9--8--9--8--9--5--6-6-6-6-----	
G		10--8-10--8-10--8--6-6-6-6-----	
D		10--8-10--8-10--8--6-6-6-6-----	
A		-8--6--8--6--8--6--4-3-4-3-----	
E		-----	

Chorus:

**C# D# G# C#**  
**C# D#**

song structure and strumming rhythm should be pretty easy to figure out by yourself :)
