

**Soular Flares**  
**The Ready Set**

Hey everyone!

There was already a tab for this song, but it was a little off so i figured i d fix it a bit.

A great song by a great band. The chords are pretty straight forward, but if you

have any questions write a comment and I ll have a look at it.

-Dustin

**E** **B**  
i ve been thinking that the stars are all aligned,  
**C#m** **B**  
im young but i am bright enough to read solar signs.

**E** **B**  
so, is it cool if i call you around 8 or 9?

**C#m** **B**  
we ll talk a real long time about the days when we were young, we re still  
young.  
(we re still young, we re still)

**C#m** **B**  
i told you that your heart s quite big and i like it, but you were skeptical,  
skeptical.

**C#m** **B**  
oh, can you feel me in the sunrise, or in the daytime?  
i like your night eyes.

**C#m** **B**  
and you are beautiful in every single way, i would like to see your shining face  
every day.

**C#m**  
if i m lying may the lightning strike me down to the ground,  
**B**  
cause i don t need electric currents when you re around.

**E** **B**  
i ll contrive a way to find you diamond rings,  
**C#m** **B**  
i ll sell all of my things or rob a jewelry store, but what good could that

**E**  
do?  
**B**  
love is something that just cant be bought or sold,

**C#m** **B**  
it wont come when it s told it only comes from the soul. so do you got

**C#m**  
soul?  
**B**  
because you ve got me so wrapped up in you.

**C#m** **B**

so darling do you know (Darling do you know?) do you know how you got so lovely?

**C#m** **B**  
was it self-taught, learned from life? you ve got skills making boys go crazy,

**C#m** **B**  
and i ve been running down the stairs again, i think you re in my head girl,  
i think i m freaking out girl.

**C#m** **B**  
sometimes i wonder if you re even real, if not it s cool,  
i don t wanna go back to the way that it was,  
i don t wanna go back cause i think i may be (in love)

**E** **B**  
i ll contrive a way to find you diamond rings,  
**C#m** **B**  
i ll sell all of my things or rob a jewelry store, but what good could that  
**E**  
do?  
**B**  
love is something that just cant be bought or sold,  
**C#m** **B**  
it wont come when it s told it only comes from the soul.

**E**  
your relationships come and go,  
**B** **C#m**  
but what makes a difference is how you take advantage of the flirting eyes,  
**B**  
lips and thighs, romance and regrets, this is a ship wreck.

**E**  
your relationships come and go,  
**B** **C#m**  
but what makes a difference is how you take advantage of the flirting eyes,  
**B**  
lips and thighs, romance and regrets, this is a ship wreck.

**E** **B**  
i m the one who fell in love and stayed that way.

**C#m** **B**  
i m the one who fell in love and stayed that way.

**E**  
so take my advice,

**B** **C#m** **B** **E**  
love with your head love with your heart, love with all you have.

**E** **B**  
i ll contrive a way to find you diamond rings,  
**C#m** **B**  
i ll sell all of my things or rob a jewelry store, but what good could that  
**E**  
do?

**B**  
love is something that just cant be bought or sold,  
**C#m** **B**  
it wont come when it s told it only comes from the soul. so do you have...

There you go! Good luck!
