

## Upsets And Downfalls The Ready Set

Capo on the 3rd please(:  
hope you enjoy it, I m new so say hi. :P

**C**  
It s hard to write out an apology  
**Am**  
I m not the person I m supposed to be  
**Em**  
Cause I m a lover in a fighters club  
**G**  
If my words fail to hold true.  
(scrap **F**)  
Then I think you should know.

**C**  
I couldn t tell you to leave if I had to  
**Am**  
But I can make you believe that I want you  
**Em** **G**  
So please come home and I ll make right  
**G**  
All the sad nights and hard lines  
**Am** **Em**  
And I will look you in the eye  
**G**  
Cause it s not over yet

(Chorus)  
**C**  
Give me your heart because I need it like I used to  
**Am**  
You are a star shining down on me  
**Em**  
I had a chance and the chance is that  
**G Am F**  
Baby this is all I need

**C**  
See, I ve been running races on my own time  
**Am**  
Shutting out the people who have stuck with me my whole life  
**Em**  
So if there s something I could say  
**G**  
To resists the ties I let free

**Am**

Then I would surely pass that dare

**Em**

**G**

Cause loose ends can go nowhere

**C**

Give me your heart because I need like I used to

**Am**

You are a star shining down on me

**Em**

I had a chance and the chance is

**G Am F**

Baby this is all I need

**C**

Give me your heart because I need it like I used to

**Am**

You are a star shining down on me

**Em**

I had a chance and the chance is

**G Am F**

Baby this is all I need

**Em**

No I had my mouth would say

**G**

I love that you love me, I swear that s the case

**Am**

If you left with only tears

**C**

I m stuck with these nightmares, these ghosts and these fears

**Em**

Won t let you down

**G**

I m gonna run through the night til my souls taken flight

**Am**

Living the same

**F**

I m watching the sky open up with my arms waving out

**Em**

(Oh I missed you bad)

**C**

Give me your heart because I need it like i used to

**Am**

You are a star shining down on me

**Em**

I had a chance and the chance is that

**G Am F**

Baby this is all I need

**C**

Give me your heart because I need it like I used to

**Am**

You are a star shining down on me

**Em**

I had a chance and the chance is that

**G Am F**

Baby this is all I need

**G Am F**

This is all I need
