

**Young Forever**  
**The Ready Set**

Capo 4

(This is the video I tabbed it from <http://www.youtube.com/watch?v=A6Yn1ZmFPqA>)

**Em C Am7**

(Am7 is basically just a regular ol' Am, except the G string is open)

We'll be young forever

We'll be young forever

**Em**

We can be like prisoners, yeah

And we can be alone

**C**

We can make a mess like no one knows

**Am7**

And risk it on our own

**Em**

Spendin' the money that we don't have Cause we don't care, no-oh

**C**

Livin' like kings with broken strings

**Am7**

And our face down to the floor

**Em**

Livin' with our headphones up

**C**

We've got sound and that's enough

**Em**

Nobody can touch us

**C**

And we run and we run and we run

**Em** **D**

Hey, hey, we'll be young forever

**C**

We'll be young forever 'til forever stops We're singing

**Em** **D**

Hey hey we'll be young forever

**C**

Tonight will last forever 'til our bodies drop

**Em**

We can run through the night

Write our name up in the sky

**C**

got the music on our side

**Am7**

Ain't no body gonna catch us singin'

**Em** **D**

Hey hey we'll be young forever

**C**

On the world forever and we ll never stop

The rest of the song basically goes like that.

**Em C Am7**

Look at us look at us we ll take the whole world by surprise  
Million dollar mindset in place, you can see it in our eyes  
Everything here is ours to take so come and take your side  
Livin like kings with broken strings  
And the beats so synthesized  
We can turn the speakers up  
Cause we ve got sound and that s enough  
Nobody can touch us  
And we run and we run and we run

**Em D C**

Hey, hey, we ll be young forever  
We ll be young forever til forever stops
