

**Bringing The Body Back Home  
The Real Tuesday Weld**

Hi guys, this is my own work and took a while to figure out.  
I don't mind if you use it but please credit me if you're going to re-post it!  
The outro isn't what TRTW wrote, but it's what I personally like to do.  
Also, I'm not sure about the D in the third line of every verse...  
again, it's just how I like it.  
Constructive comments welcome! =]

**C** **Am**  
Don't dry your eyes, my love  
**F** **Am** **G**  
Don't say you've cried enough  
**C** **Am** **D**  
Don't say you're giving up  
**F** **Am** **G**  
That you've reached the end of your love  
**E** **C**  
Love hurts for sure  
**F** **C**  
But it's still the one thing  
**G** **C**  
Worth hurting for

**C** **Am**  
Lay down your flag and gun  
**F** **Am** **G**  
Or this war won't ever be won  
**C** **Am** **D**  
You'll find another one  
**F** **Am** **G**  
To try to fight what you've become

etc...  
lyrics:

But make love your cause  
And you'll find the one thing  
Worth fighting for

There is a door, my love  
That opens for all of us  
I know that scares you but  
Give me your hand in trust  
We'll walk through that door  
And find love was the one thing  
Worth living for

Yeah, love was the one thing  
Worth living for

My Outro: **C, Em, E, Am** x3

end on Am... you may be tempted to end on C but resist! It sounds a little  
corny. I

think ending on Am suits the tone of the song better.
