1st pattern: **C E Am F C**

Well, after all that we ve been through

C E Am F C

C E Am F

Cause love s the only proof

Ab F C

That the ugly could be beautiful.

{repeat intro}

[the rest of the song has exactly the same pattern...]

God knows I m feeling spent
Though I ve still got my money, honey
Money s the revenge
Of the ugly on the beautiful

Well, the drugs just ain t enough
Though I like the way they made us crazy
But love s the only drug
That turns the ugly into beautiful

And I can t tell you why
I m still so much afraid of dying
When dying reconciles
The ugly with the beautiful

[..until here, where i *think* it goes:]

2nd pattern: **Dm**

Though we ve been burned by it

G

Let s still believe in love

Dm

Cause love s the greatest gift

G F C

Of the ugly to the beautiful.

{repeat intro, and then repeat second pattern}
