=====

Verse 1

D **Am**
When I was a little child
Em **G**
All my dreams were running wild
D **Am**
I had the whole world at my feet
Em **G**
Was never hurt, I let my actions speak

Pre Chorus

Am **Em** **G**
D
I never doubted that I would find it in myself to be
Am **Em**
Now I m gonna shout it
G
Let the whole world sing it along with me
G
You can be who you wanna be

Chorus

D **Am** **Em**
So donâ€™t stop ever believing, keep on dreaming
G
Got to be strong and take the fall
D **Am** **Em**
Hold on to the feeling, the path we re leaving
G
This is your chance to take it all

Verse 2

D **Am**
In the moment it all sounds
Em **G**
Tears of joy will drown the crowd
D **Am**
Feel my heart just beating fast
Em **G**
This is how it feels to live and laugh

Pre Chorus
Chorus
Instrumental
Pre Chorus
Chorus

Enjoy! It s basically the same 4 chords throughout the whole song in slightly different order. Great melodies though. For more chords, lyrics, guitar related articles and inspiration, check out <http://www.dynamicguitar.co.uk>
