

**Immortal Love**  
**The ReAwakening**

**G**

Your love

**C**

Is running through my veins

**E**

Your touch

**A**

Is making my cold dead heart come back to life

**E**

After all these years of darkness

**G**

Your kiss

**C**

Brings the words right to my mouth and out my eyes

**E**

As you look at me with love

**G**

The touch of your hand

**C**

Brings my cold, dead, hand, back to life

**E**

After all these years of silence in my grave

**A**

Under the cold dirt in which you dug me out

**G**

**C**

Whenever your eyes meet mine

**C**

I feel all the sudden alive

**G**

Again

**G**

**C**

The return of my corpse to this world

**C**

And in my once cold dead heart

**G**

A soul will emerge

**E**

**Am**

But only around you will it come forth

**Em**

Whenever I am along your side

**A**

Theres a spark of my soul in my eyes

**E**

With your armed escort you drive me away

**Am**

Away from my grave

**G**

Your love

**C**

Is running through my veins

**E**

Your touch

**A**

Is making my cold dead heart come back to life

**G**

After all these years of darkness

**E**

Your kiss

**C**

Brings the words right to my mouth and out my eyes

**E**

As you look at me with love

**G**

The touch of your hand

**C**

Brings my cold, dead, hand, back to life

**E**

After all these years of silence in my grave

**A**

Under the cold dirt in which you dug me out

**C**

When I find the words to say I love you

**G**

**G**

They come right out

**C**

When I find the strength to be alive

**G**

You help me draw breath and walk the earth

**E**

Baby you are my kindred spirit

**Am**

You help me see the soul through my eyes

**E**

I shall remain a part of the living dead

**Am**

Immortal I will be as long as you shall walk the earth
