## Immortal Love The ReAwakening

```
G
Your love
Is running through my veins
Your touch
Is making my cold dead heart come back to life
After all these years of darkness
Your kiss
Brings the words right to my mouth and out my eyes
As you look at me with love
The touch of your hand
Brings my cold, dead, hand, back to life
After all these years of silence in my grave
Under the cold dirt in which you dug me out
Whenever your eyes meet mine
I feel all the sudden alive
Again
The return of my corpse to this world
And in my once cold dead heart
A soul will emerge
                    Am
But only around you will it come forth
```

```
Whenever I am along your side
Theres a spark of my soul in my eyes
With your armed escort you drive me away
Away from my grave
G
Your love
Is running through my veins
Your touch
Is making my cold dead heart come back to life
After all these years of darkness
Your kiss
Brings the words right to my mouth and out my eyes
As you look at me with love
The touch of your hand
Brings my cold, dead, hand, back to life
After all these years of silence in my grave
Under the cold dirt in which you dug me out
                                            G
When I find the words to say I love you
They come right out
When I find the strength to be alive
You help me draw breath and walk the earth
Baby you are my kindred spirit
```
