

You And Me Now
The Record Company

[Intro]

G Am F C x2

[Verse]

G

The sun beaming through the door

Am

I m lying on the floor

F

Holding hands beating hearts

C

Lit stening to the evening star

G

The house has not been built

Am

A future not yet born

F

Just you and me with nothing to do

C

Staring at the moon

[Pre-chorus]

Am

Baby you re fading

D7

And I ve been waiting for my love

F

C

To come home tonight yeah

[Chorus]

G

Am

Hey it s nothing, nothing at all

F

It s nothing at all baby

C

Hey it s nothing, nothing at all

It s just you and me now

G

Am

Hey it s nothing, nothing at all

F

It s nothing at all baby

C

Hey it s nothing, nothing at all

It s just you and me now

[Verse]

G

When I close my eyes

Am

We re far away on an it sland

F

With time to heal, time to feel

C

And get away from it all

G

Things were moving too fast

Am

We jumped through to broken glass

F

Just put the past in the past

C

Put it away and take it on together now

[Pre-chorus]

Am

Baby you re fading

D7

And I ve been waiting for my love

F

C

To come home tonight yeah

[Chorus]

G

Am

Hey it s nothing, nothing at all

F

It s nothing at all baby

C

Hey it s nothing, nothing at all

It s just you and me now

G

Am

Hey it s nothing, nothing at all

F

It s nothing at all baby

C

Hey it s nothing, nothing at all

It s just you and me now

[Chorus]

G

Am

Hey it s nothing, nothing at all

F

It s nothing at all baby

C

Hey it s nothing, nothing at all

It s just you and me now

G **Am**
Hey it s nothing, nothing at all

F
It s nothing at all baby

C
Hey it s nothing, nothing at all

It s just you and me now

Oh that s right baby

G **Am**
Oh it happens now, a-come on

F **C**
Oh it happens right now, come on baby

G **Am**
Oh it happens right now, right now baby

F **C**
Oh, and oh it hap... oh it happens now

You know about it babe

G
Hey, it s nothing, nothing at all

Am
It s nothing at all baby

F
Hey, it s nothing, nothing at all

C
It s just you and me now

G
Hey, it s nothing, nothing at all

Am
It s nothing at all baby

F
Hey, it s nothing, nothing at all

C
Nothing at all, nothing at all

G Am F

C
I really love you baby

[Outro]

G Am F C x2
(or fade out)
