intro: **D A G Bm A**

D

The moon is shining bright

A

The mood is feeling right

G

Iâ€™ll kiss you on your neck

Bm A

People will stare but we wonâ€™t care

D

Weâ€™re high above the ground

A

Weâ€™re nowhere to be found

G

Empowered by adrenaline

Bm A

Feel I ve been born again

Em F# G#

Again, I am repeating myself

Bm A G

And I know it is time for you

A

To sit and pretend

D A

Damn regret, Iâ€™ll try to forget

G

Donâ€™t worry about me

Bm A

Cause Iâ€™m real fine

D

Cast my line

A

To see what's behind

G

Bm A

Did you think you persuaded me to let you go?

(do first verse chords)

I'm wishing you were here

My weakness is my fear

Alone I am myself

No reason left for me to care

Distracted by the sound

I hear footsteps all around

Empowered by adrenaline

Feel I've been born again

Em F# G#

Again, I am repeating myself

Bm A G

And I know it is time for you

A

To sit and pretend

(do chorus chords)

Damn regret, I'll try to forget

Don't worry about me

Cause I'm refined

Cast my line

To see what's behind

Did you think you persuaded me to let you go?

Bm G

You're the only one I turn to

D A

When I feel like no one's there

Bm G

And when I'm lonely in my darkest hour

Bm A G

You give me the power

A

To sit and pretend

(do chorus chords)

Damn regret, I'll try to forget

Don't worry about me

Cause I'm refined

Cast my line

To see what's behind

Did you think you persuaded me to let you go?

D A

Did you think I d forget?

G **Bm** **A**

Did you think I d surrender myself to persuade you to let me go?

D **A**

Did you think I d forget?

G **Bm** **A**

Did you think I d surrender myself to persuade you to let me go?

hope youlike it dude. . . .
