

Dive Too Deep
The Red Jumpsuit Apparatus

Dive too deep - Red jumpsuit apparatus V3

- Only found one other version on the internet which is a piece of crap, so I made my own version. A few chords may be wrong but it is now in the same key as the original and is easy to play.

6/8 strumming pattern

Chords: **G C Am D**

CAPO 7th fret

Verse 1:

G
The clock at the table
C **Am**
seems to enable me
Am7 **D**
to see the time that I have spent alone
G **C** **Am**
selfish is easy it s also completely free
Am7 **D**
but it s nothing if no one is there to share

Pre-chorus:

C **Am**
all the good times all the bad times
Am **D**
let me know

Chorus:

G
if I dive too deep
C **D**
you ll pull me out
G **D**
if I try to speak you ll hear me out
C **Am**
if I get too weak you ll hold me close
C
and tell me I m fine

Verse 2:

G **C** **Am**
you know the worst lines come at the best times

Am7 **D**
and I know that I can be so difficult

G
but that s why I love you

C **D**
there s nothing that I could do

Am7 **D**
without you I am only miserable

Pre-chorus:

Am **C**
all the good times all the bad times

C **D**
let me know

CHORUS (x2)

Bridge:

C
I m your strength

Am
we achieve

Am **D**
I know that your the sun that s looking down

Am **C**
with all my heart I believe
