Chords used:

**D** - x32010

**G** - 133211

**Bm** - x02210

**A/B** - x2x003

**A** - 320003

Intro: C-- x2

Verse 1:

**D**

This whole routine  
is getting old

**G**

so am i and so are you  
my reputation lets me know  
i can do whatever

**D**

i want to though it  
seems that you believe  
you can do whatever

**G**

it is you please  
not before not before  
you wind up on your knees

Refrain:

**D**

don t cry to  
me no more

Chorus 1:

**D**

you like the way  
the people stare at you

**G**

and now you look so fake  
just thought that  
you should know

**D**

and your all the same  
and when the curtain

**G**

drops down  
you ll be replaced  
by something typical

Verse 2:

**D**

you set yourself  
up to be sold  
and thats ok cuz

**G**

thats your role  
maybe if you listen  
take its toll  
will you do no

**D**

body wants you  
though it seems  
that you believe  
you can do whatever

**G**

it is you please  
not before  
not before you  
wind up on your knees

(Repeat Refrain and Chorus 1)

Bridge:

**Bm**            **A/B**

i know i stood so

**D**

long beside you

**G**

and i know i

**A**

should have left  
you right where  
i had found you

**Bm**            **A/B**

i know i stood

**D**

so long beside you

**G**

and i know  
i should have

**A**

left you right  
where i had found you

(Repeat Chorus 1)

Chorus 2:

**D**

you like the way  
the people stare at you

**G**

and now you look so fake  
just thought that  
you should know

**D**

and your all the same  
and when the curtain

**G**

drops down  
you ll be replaced

**Bm**      **A D**(hold)

by something typical
