Verse 1: (you can use the chords, or the intro...either one sounds good)

```
Am                F
A kid came up to me now just the other day
Am                F
And asked me if I thought about what I would say
Am                F
If everything came crashing down on top of me
Am                F
How would I stay torn?
```

Chorus:

```
C                G
Will you represent?
G                Am
Will you stand close?
Am                F
Will they shame you?
F                G
Will they blame you?
```

Verse 2:

```
Am                F
It's funny how the words of a child can be
Am                F
Simple, but the thought there is so meaningful
Am                F
Makes me wonder what I would say to me
Am                F
In the eyes of another
```

Chorus:

C **G**
Will you represent?
G **Am**
Will you stand close?
Am **F**
Will they shame you?
F **G**
Will they blame you?

C **G**
Thereâ€™s a consequence
G **Am**
For the path you chose
Am **F**
Will they change you?
F **G**
Will they make you who you are?
Will they make you who you are?
Will they make you who you are?

Verse 3:

Am **F**
Let the free world ride your way
Am **F**
In these times of darkened days
Am **F**
Let the free world ride your wayyyyyy-yayyy(let the free world ride your way)
ooooh oooooh ooooh

Ending Chorus:

C **G**
You will represent
G **Am**
Youâ€™ll stand close
Am **F**
They wonâ€™t shame you
F **G**
They wonâ€™t change you

C **G**
Thereâ€™s a consequence
G **Am**
For the path you chose
Am **F**
They canâ€™t change you
F **G** **C**
They canâ€™t make you who you are not.
