Verse 1:
G#
   Gather round now everyone
                          Fm
Put your glass in the air
Sing along now everyone
We ve got a reason to cheer
G#
   Take it in, breathe it in
                     Fm
We are about to begin
Make the choice
to use your voice
But don t get
lost in the noise

Chorus:
C#   **Eb**
  Skip classes take
           G#
chances have fun
Cuz when it s
Cm   **C#**
over it is done
            Eb
Skip classes take
chances have fun

Verse 2:
G#
   How did this come to an end
                                  Fm
We shouldn t have to pretend
Everything we know could change
                                G#
Will you remember my name
I hope you do honestly
                                Fm
I ll keep you in my memory
Make the choice
to use your voice
But don t get
lost in the noise

(Repeat Chorus)

Bridge:
Fm   **C#**
   I have waited so long
               Eb
To write this song for you
  G#   **Eb/G**
I hope you like it
Fm   **C#**
   I have waited so long
                 Eb
To sing this song with you
  G#   **Eb/G**
I know that you ll like it

Interlude: C#--Eb--Fm--

(Repeat Chorus)

End on G#
